Dear Ms MacGregor

I refer to your recent letter and wish to thank you for the publication, "Australian Expats: stories from abroad", which you kindly sent.

The publication will be placed in the Consular area of the Embassy, together with the posters and flyers you sent, for all expatriate Australians to see and read. A mention will also be given in the Embassy's newsletter so that Australians who are resident here can be informed. Your website will of course be mentioned in this newsletter.

With best wishes.
