Dear Mr Haverhand and Ms McGregor

Thank you very much for sending me a copy of *Australian Expats: stories from abroad* recently published by Global Exchange in conjunction with the Southern Cross Group.

I will arrange for *Australian Expats* to be donated to the Northern Territory Library which is in the Parliament House building and is a reference collection that is heavily used by both locals and visitors to Darwin. This will ensure the information is available to the widest possible groups and once again, I thank you for this most generous donation.

Yours sincerely

CLARE MARTIN
