Dear Ms MacGregor

Thank you for your letter of 22 October 2003 regarding the Southern Cross Group book, *Australian Expats: Stories from Abroad*.

Congratulations on successfully undertaking the ambitious project of collating the experiences of so many Australians living around the world.

I am sure many Australians living abroad – or who are considering doing so – will read the book with great interest and a shared sense of experience.

Thank you again for providing me with a copy of the book.

Yours sincerely

**WARREN TRUSS**
