## **SCG / Global Exchange Book Project 2003**

### ***Australian Expats: stories from abroad*** **Help us Launch our Book in America!**

**November 19 & 20, 2003**

Come along to Washington DC or Chicago and help us launch our book of stories by Australian expatriates. Anne MacGregor, co-editor, and some of the expat Australians whose stories appear in the book will be there. A New York launch will be held on January 15, 2004 in spectacular style at the Australian Consulate-General, and invitations and pre-registrations for New York will be circulated in due course.

Copies of the book, hot off the press direct from Australia, will be on sale on the night for \$15, and you can pre-order now so that your copy will be waiting for you to pick up at the launch you attend.

Drinks and light refreshments will be available. Although this event is free, pre-registration is essential due to security considerations at the Embassy in DC and numbers are limited in Chicago. Please complete and return the form on the opposite page to our North American Coordinator by Monday November 17, 2003.
