Dear Ms. MacGregor,

Thank you so much for sending me the report relating to dual citizenship which I have found to be of interest. When I was in Australia last week it sounded to me as though the government was proposing to move forward in response to your recommendations. I do hope that this is the case and look forward to learning of the final shape of the decisions that they take.

With my thanks to you and good wishes,

Sincerely yours,

James D. Wolfensohn
