Dear Mr Ferguson,

Re: Australian Citizenship for child immigrants from UK 1949-1973

Thank you very much for your letter of 16th October and the advice from the Parliamentary Library which was most interesting.

I am delighted that your party intends to reactivate the Independent Australian Citizenship Council once you are in government. I look forward to being able to take the matter up with that body.

I trust that you enjoyed the book launch of "Australian Expats", I certainly found the one at Australia House in Australia enjoyable and I have had feedback from friends in Melbourne where everything was a great success.

With every good wish,

Yours sincerely,

Michael Young
