Dear Ms MacGregor

ENROLMENT FROM OUTSIDE AUSTRALIA

I have approved your application for enrolment from outside Australia.

The Divisional Returning Officer has included your name on the Electoral Roll for 2 Madden Place, Watson in the Division of Fraser and will also register you as an Eligible Overseas Elector for a period of 6 years, expiring on 26 September 2006.

Should it become apparent at any stage that your absence from Australia is likely to exceed 6 years, you may apply for yearly extensions of your overseas registration. An application for extension must be made within the 3 months before the expiry date of your registration. You should apply to the Divisional Returning Officer for Fraser if an extension is required.

Registration ensures that your name will remain on the electoral roll and that you can vote in person at the nearest Australian Diplomatic Mission.

If you cannot attend a Mission on or before polling day, you should apply in writing for a postal vote instead. Applications are available at every Mission and also on the AEC website www.aec.gov.au. Details of Missions with polling facilities are also on the website. If you do not vote or apply for a postal vote in any general House of Representatives election which is held while you are registered as an overseas elector, your registration will be cancelled and your right to remain on the roll may be forfeited until such time as you return to Australia.

If you resume permanent residence in Australia less than 6 years after your departure or if you decide to settle permanently overseas you are required to advise the Divisional Returning Officer for Fraser in writing.

When you return to Australia, if you are no longer living at the address for which you are currently enrolled you are required to complete a new enrolment form.

As the Australian Capital Territory does not have complementary legislation this registration is for Commonwealth purposes only.

Yours sincerely
