<p>Figures are comprised of votes issued to voters who voted in person at the overseas post as well as postal vote applications issued by the post and received back by it. Note that some postal votes issued overseas are returned directly to Australia, and not to the issuing post.</p>									
<p>In addition, some postal votes issued by an overseas post may not have been received by voters, or if received, may not have been returned. This was particularly the case in the 2001 election which closely followed the events of 9/11 and the anthrax scare in the US.</p>
