

EMBASSY OF AUSTRALIA
WASHINGTON DC

23 March, 2007

The Embassy of Australia in Washington DC is planning a special focus on Australian War Brides as part of their commemorations for ANZAC Day in 2007.

This will be an important opportunity for the Australian Embassy to recognise the many War Brides in the United States and to pay tribute to them as a unique group on this national day of commemoration.

If you, your mother, or grandmother is an Australian World War II War Bride, the Embassy would like you to join them in Washington DC on April 25. Functions will include a Dawn Service at the Korean War Memorial, a "Gunfire" breakfast, and a service at the National Cathedral. Australia's Ambassador to the United States, Dennis Richardson, will also host a reception for War Brides and their families.

Those War Brides and their families attending these various events will have the opportunity to share memories, celebrating their unique experiences while taking part in ANZAC Day commemorations.

To register your interest in receiving more information and/or attending the commemorations please complete the form below and return it to:
